MESSAGE FROM THE PRINCIPAL

Dear Chargers,

Second semester is in full gear as we enter into the short month of February. Although our shortest month, February is a very busy month at Stagg. Our students are completing the registration process, many of our winter athletic teams will begin state series competition, and our administrative team is busy building the master schedule and staffing for the 2018-2019 school year!

During the second week of February, we will participate in "Start with Hello Week", a week long focus on developing meaningful relationships with all members of the Stagg Community. Similar to "Say Something Week", "Start with Hello" is an effort put forth by the Sandy Hook Promise Organization to create empathic communities in our schools.

We need you! Stagg High School offers a number of different opportunities for parents to actively participate in the Stagg Community. One of the ways is by joining one or more of our parent organizations. Make one of your New Year's Resolutions to get involved today!

Stagg Parent Organization

The Stagg Parent Organization is a general parent organization that contributes to the school in a number of ways. If you are not sure where to start your high school experience as a parent, this is a great place to begin.

Stagg Athletic Boosters

Is your child involved in high school athletics? Are you a fan of high school sports? This organization is for you! The Stagg Athletic Boosters meets the second Thursday of each month.

Stagg Music Boosters

The Stagg Music Booster Organization is organized exclusively for charitable and educational purposes, and more specifically, to support music education for the public high school students attending Stagg High School. Finally, the Music Boosters support and promote vocal and instrumental music education within the community and general public.

Sincerely,

Eric Olsen
Principal

Parent-Teacher Conferences

Parent/Teacher Conferences are scheduled for Tuesday, March 6 from 12 noon until 7 p.m. This is a great opportunity to discuss with the teacher how your student is performing within the curriculum and communicate face-to-face ways to work on skill deficiencies.

Scheduling an appointment with the teachers you would like to meet is easy and can be accomplished in one of two ways. The format more convenient to your personal schedule is the online scheduler.

Online scheduling will be available from the school's home page at district.d230.org/stagg: Tuesday, February 27 at 9 a.m. through Monday, March 5 at 12 noon.

Phone in scheduling to 708-974-7400 will **only** be available:

Tuesday, February 27 and Wednesday, February 28 from 9 a.m. to 3 p.m. on each day. Phone requests for assistance with scheduling appointments will only be taken on these days.

Links to the online website will be on each school's homepage, along with step-by-step instructions that will walk you through the process. If you need assistance with the online process, please contact the school directly at 708-974-7400.

Cook County Sheriff Commitment to Service Award

Congratulations to the following students who received the Cook County Sheriff's Commitment to Service Award. This award is given to residents of Cook County, grades 9-12, who have provided meaningful volunteer service to their communities. Students completed 100 hours of community service above their school requirement between September 1, 2016 and August 31, 2017.

SAT Suite of Assessments

Tuesday, April 10, 2018

The Illinois State Board of Education previously ruled that the SAT will be used as a measure of college and career readiness for students and this is the second year Illinois students will take part in SAT school day testing. The state assessment date for District 230 is Tuesday, April 10, 2018.

What are the plans for each grade level for the April testing day?

Stagg will administer the full SAT Suite of Assessments for grades 9-11 in-school on Tuesday, April 10, 2018. Below you will see the plans for each grade level on that day. Seniors will have a day of non-attendance and are strongly encouraged to complete deficient service learning hours or complete college preparation activities on this date.

- **Freshmen** will take the PSAT 8/9. The PSAT 8/9 is closely aligned to the SAT and scores earned are predictive.
- **Sophomores** will take the PSAT 10. The PSAT 10 is closely aligned to the SAT and scores earned are predictive.
- **Juniors** will take the State Mandated SAT exam. SAT scores are accepted as a college entrance exam at all major colleges and universities

There will not be zero hour on this date. Students will be in attendance from 8:00 a.m. until 12:45 p.m. Zero hour will not meet. After testing, there will be a dismissal time of 12:45 p.m.

The SAT can be used for college entrance eligibility to all colleges and universities. Students are signed up for the April SAT through school. SAT test sections include critical reading, mathematics, and writing. Please note that both the SAT and the ACT are acceptable for college admissions.

What steps can the students take right now to begin preparing for the test?

College Board www.collegeboard.org has partnered with Khan Academy to deliver preparation materials. www.khanacademy.org has free practice tests, practice sets, and the capability to build a personalized practice progression from PSAT results. In addition, juniors can participate in SAT prep opportunities offered at Stagg.

Local Scholarships

Local scholarship applications are available for seniors on the Guidance Department's page of the Stagg website. Interested students should complete the application online by 3:00 p.m. on March 2, 2018. Upon completion of the application, seniors will be eligible for

various scholarship opportunities donated by local organizations, businesses, or individuals. Many other local scholarships have their own applications which can also be found on the Guidance Department's page of the Stagg website.

AP Testing

Students in Advanced Placement (AP) classes will have the opportunity to take AP exams in May. The Advanced Placement testing program is a way for students to earn college credit while in high school by earning a score of 3, 4, or 5 on a particular AP test. It is up to the student to forward their test score to

the college of their choice to be awarded credit based on the standards of that particular college. It should be noted that standards for awarding credit vary from college to college, and is strictly a decision of that particular college. This month AP teachers are distributing exam registration forms in their classes.

AP Testing Online Registration

Attention parents and students, online registration is now open for the 2018 AP Exams. The deadline to register is Tuesday, March 6, and all fees must be paid online by Friday, March 9, 2018, in order for your registration to be complete.

Registrations that are NOT paid in full by Friday, March 9, 2018, will be cancelled, and your exams will NOT be ordered. A link to the registration site can be found on Stagg's website under the Guidance Department. Fee per exam is \$94.00.

Graduation Requirements/Credit Recovery

Students must successfully complete their grade level identified academic credits to meet District 230 graduation requirements. Please refer to the 2018-2019 Course Selection Guide for specific credit requirements. Students have received a copy from their Counselor. Access to the Course Selection Guide can be found at <http://chsd230.eduk8.me/>.

If students fail a required academic class, it will be necessary for students to

repeat the class by re-taking it in summer school. Classes are sequential and cannot be taken without meeting the prerequisite or sequential requirements.

Students will not be able to move to the next level class without successfully completing the prior level. To stay on track for graduation, it is imperative for students to attend summer school for credit recovery. There are also accelerated level classes offered in summer school.

College Application Deadlines

Seniors, be aware of college application deadlines! Remember to request your transcripts through Parchment. You can find a link to Parchment on Stagg's home page, or go to <http://www.parchment.com>.

Please allow two weeks for processing. In addition, if your college requests ACT/SAT scores to be sent directly from the testing agency, you will need to visit ACT.org or Collegeboard.org to order your scores.

Summer School

Counselors have registered students for first session summer school courses (credit recovery or advancement) during their course selection/registration appointment in January. Counselors will register students for second session summer school courses upon completion of second semester in May. A link to the summer school website can be found on the district's website at www.d230.org. Students and parents/guardians are encouraged to review the summer school website for more information on academic offerings.

Your student will not be eligible and will not be enrolled in the course until payment of \$150.00 is received for each applicable session. If payment is not received by the drop dates for Session 1-March 16 and Session 2-June 1, your student will not

be allowed to attend this class. Please see the Summer School Information on the district website for summer school class dates and times. You may use the following link for instructions regarding making an online payment for summer school course fees - <https://chsd230.eduk8.me/summer-2018/>.

In addition, most academic summer courses run at Carl Sandburg High School. If your child needs shuttle transportation from Stagg, please enter the link below and fill out this transportation form to ensure your child has a space. <https://goo.gl/2vYTrh>

Please note, Driver Education and some enrichment courses will run at Stagg High School.

Financial Aid Fridays

The Guidance Department continues to offer "Financial Aid Fridays" to our students and parents. On select Fridays each month, a representative from ISAC (Illinois Student Assistance Commission), will be available during the lunch periods to speak with students and/or parents in the lunchroom. ISAC's goal is to assist in making college accessible and affordable for all Illinois students.

We encourage college bound students and parents to take advantage of this free financial aid resource. As always, additional financial aid information can be accessed on the Guidance Department's page of the Stagg website.

Any questions regarding Financial Aid Fridays can be directed to Mrs. Samec, Stagg Counselor, at 708-974-7445. You may also contact our ISAC representative directly at the following:

Desiree Vasquez
Illinois Student Assistance Commission
708-779-8101
Desiree.Vasquez@isac.illinois.gov

As a reminder: College bound students seeking financial assistance will need to complete the FAFSA (Free Application for Federal Student Aid) online. The FAFSA opened last fall on October 1. Families may access this website directly at www.fafsa.ed.gov or we provide a direct link from the Guidance Department's page of the Stagg website. Students have been encouraged to apply early!

College Planning - Stagg Guidance Hosts Three College Panel Presentations

Stagg's Guidance Department will host three separate college panel presentations during the school day in March, specifically Friday, March 2 during 4th hour, March 9 during 5th hour, and March 16 during 6th hour.

Students will be exposed to a variety of institutions, learn about academic programs, scholarship opportunities,

have the opportunity to speak with college admissions representatives one-on-one, and much more!

Freshman, Sophomores, and Juniors are invited to attend the panel presentations. Students can sign up online via the Guidance website in February. Don't miss this opportunity!

Curriculum Fair Recap

The annual "Curriculum Fair" was held on January 12, 2018. Junior advisories attended during second period while all other students were invited to attend during lunch periods. Teachers from a variety of content areas setup tables with information about their courses. Students had the opportunity to gather information and ask questions helping them determine what courses will best support their post-secondary goals. Guidance counselors were available to answer any questions students had during this time. We encourage parents/guardians to have discussions with their students as to what courses best suit their future and to reach out to Guidance Counselors and/or Department Chairs for additional information if needed.

“Evening with the Stars” is back!

“Evening with the Stars” is a very special recognition program unique to Stagg High School. This is an exciting opportunity to recognize students, teachers, parents, community members and staff whose important contributions to Stagg High School may go unnoticed. Do you know someone who has made Stagg a stellar place to be?

Nomination forms are available in the main office or on Stagg’s website at Stagg.d230.org. Nominations are due in the main office or can be emailed to kcorr@d230.org by Wednesday March 7, 2018 at 1 p.m. The reception will be held on Wednesday, April 11, 2018.

Culinary Club Visits the Christkindlmarket

Culinary Club enjoyed a festive Chicago evening this past December. Nineteen of the group’s members along with sponsors Ms. Colleen Silk and Mrs. Starostka shared an evening at Christkindlmarket. The air was cold but the food was warm and delicious. The sites of the city were breathtaking. It truly was a wonderful way to head into the holiday season!

The club members are looking forward to upcoming activities: cooking, another trip downtown to Water Tower Place to enjoy Foodlife, and donating our time at Feed My Starving Children, to name only a few. “People who love to eat are always the best people” Julia Child.

PTO

(Parent Teacher Organization)

Discussion has already begun about this year’s Senior Party, set for the evening of May 19 at Stagg. PTO representatives will be on hand with volunteer signup forms in the Performing Arts Center lobby before and after the mandatory Pre-Prom meeting for parents, which is at 7 p.m. February 28 in the PAC.

The PTO board works with a group of volunteer parents who organize and staff this wonderful annual celebration for Stagg seniors the Saturday before graduation. The committee is open to any interested parents, especially those who have seniors and juniors. Chairmen are needed for the food and decoration committees.

Volunteers help solicit donations, put up decorations the night before, chaperone, serve

food, help at the event and remove decorations that night and the following morning. Evening meetings take place each month for updates, but parents can volunteer even if they cannot make meetings.

Senior parents will receive an e-blast with information, and dates will be posted on the PTO website, www.StaggPTO.com, and on the StaggPTO Facebook page. Email StaggPTO@gmail.com to be put on a list of volunteers.

Dodgeball Tournament

The PTO and teacher/coach John Daniels are teaming up to host a dodgeball tournament at 6 p.m. Thursday,

February 22, in the North Gym. The cost for this inaugural event will be \$18 per six-person team. The teams may include students of any age and can be coed or not. Games will be timed, and the length will be determined by how many teams enter the competition. T-shirts will be awarded to the overall winning team.

Admission fee of \$1 will be charged to spectators. Proceeds will benefit the PTO’s scholarship fund. The event will be publicized at Stagg via posters, video screens in the Commons and in announcements. For information or team forms, email jdaniels@d230.org.

Join Us

Stagg PTO is open to anyone with a connection to Stagg interested in working together to build relationships and promote positive change. It’s a great way for parents to get involved. Annual membership costs \$15 per family. Stagg teachers and staff can join for a slightly reduced rate. For information, email StaggPTO@gmail.com or visit www.StaggPTO.com.

ATHLETIC BOOSTERS

The Athletic Booster Club is a volunteer organization of parents, families and friends that help support Stagg Athletic programs through financial contributions and event sponsorship. This supplements the Athletic budget to provide the best experience for your student athletes.

Funds are raised through Booster Club membership, spirit wear sales, athletic events, concession sales and other events. Stagg athletic teams have achieved excellence at the regional and state level through the dedication of coaches, work ethic of the student athletes, parental support and Booster Club efforts.

Volunteers are the foundation of our Athletic Booster Club! Meetings are the second Thursday of the month at 7 p.m. in the staff dining room. Our next meeting is Thursday, February 8 at 7 p.m. All are welcome! Please join us and share your ideas.

Do you have gently used and or/new items that you want to donate? If you have a microwave freezer or other gently new or used items, the Boosters are in need of these items for their concessions stands. Please email us at staggboosters@gmail.com.

Wellness Tips:

The cold and flu season is in full swing. Please have your student stay home from school if:

- They have been vomiting overnight or in the morning before coming to school
- If they have a fever of 100 degrees or higher or any other symptoms that are flu related (vomiting, diarrhea, chills, etc.)
- Students should not come to school until they are fever-free for 24 hours without using fever reducing medications such as Acetaminophen (Tylenol) or Ibuprofen (Advil, Motrin)

Handwashing has been found to be an effective means to decrease all type of infections. Hand sanitizers, while effective, should be used when soap and water is not readily available.

Thank you for your cooperation as we try to keep our student and staff populations as healthy as possible.
